

Ability Online is a special place for some very special kids.

It's a secure and monitored network in cyberspace where bullies aren't welcome.

Kids come to us to find friends, feel respected and be supported, no matter what their differences might be.

They come for homework help. They come for fun.

Most of all, they come because they feel included. Ability Online believes in them and their potential and helps them believe in themselves.

Show our kids you believe in them too.

Help us grow our program, to reach out to more kids with disabilities, illnesses and other life challenges from across Canada and beyond.

Please make a donation and send a message that you believe in the spirit of giving, and in our kids.

A donation makes a thoughtful holiday gift. We'll provide certificates to put under the tree, and tax receipts for donations over \$20.

To give today, please visit www.abilityonline.org, call 416-650-6207 ext. 2 or email michelle@abilityonline.org to make your donation. (Visa, MasterCard & American Express welcome.)
